[Kevin Kruse](#) My colleague were born in Mariupol, Ukraine. She was living there. She left Ukraine in 2014. Ukrainian army was shooting by rockets to Donbass. They were doing this 100 m away from her house. I trust to real people I meet but not to journalists (especially European journalists). So you news lies to you. Ukrainian army start killings civilians. Russian army is trying to stop this. Your country and you are helping to nazists.

[ua Stanislav Galandzovskyi, PhD](#) С чего это я передаю Казахстан? Да и ты не папа римский, чтобы за донат грехи смыывать. Да и мне наплевать на ваше мнение. Всё равно половина из украинцев сдохнет, а вторая половина станет называть себя русскими. А в России мобилизуют только своих граждан, а не иностранцев.

[Andrii Malytskyi](#), да вы уже всей кодлой пошли по этому курсу. Зачем ты на русском языке это всё пишешь. Кого разжалобить хочешь? Русских? Они (да именно они, русские, в России. Я сам из Казахстана) это долго терпели. Пиши на английском. Там тебя пожалеют. Может даже визу дадут. Теперь то чего ноешь? Донбасс тоже хотел мирно жить в своих домах.
